

SIMPLE • FRESH • AUTHENTIC

Simple Techniques • Fresh Ingredients • Authentic Philippine Island Flavours

Our chef-driven menu celebrates the rich and vibrant flavours of the Philippine islands. Our specialty? Succulent, island-style charcoal BBQ chicken that strikes the perfect balance of smoky, peppery, and citrus notes.

We marinate our chicken for 48 hours in a secret blend of spices to ensure tender, flavourful perfection. Then, it's grilled over hardwood charcoal, locking in bold flavours that transport you straight to the islands.

Whether you're here for a meal that will awe your taste buds or simply craving something unforgettable, our menu promises to leave you wanting more. Pair your dish with a selection from our appetizers or beverage menu, and make sure to save room for one of our decadent desserts.
